

European NETwork for Redistributing Geospatial Information to user Communities - Open Data

AFIGEO's exploitation plan of ENERGIC-OD

AFIGEO's positions in ENERGIC-OD :

- ✓ A **information's relay** (top down / bottom up) between European partners, national partners, user communities...
- ✓ A **catalyst of users communities** of the project ENERGIC-OD
- ✓ A **partner in the co-organization of events** in connection with the project
- ✓ A **project's spokesperson** with the European and French institutions

By participating in promotion and valuation of the project ENERGIC-OD, AFIGEO pursues his main objectives :

- ✓ **Encourage the exploitation of Geospatial (Open) Data** / Develop the uses of the geographical information
- ✓ **Propose, to his members and partners, broker's architecture**
- ✓ **Integrate a network of European partners** to improve the mutual knowledge between the French actors and the other European actors.

AFIGEO's action plan of ENERGIC-OD

✓ I/ INFORM :

- ✓ With the AFIGEO's tools (www.afigeo.asso.fr, www.eurogi.org, La Lettre de l'AFIGEO, emailing, poster...)
- ✓ Members and partners (companies, institutions, associations...) = more than 1 120 contacts ; more in the future
- ✓ In connection with ENERGIC-OD tools (www.energic-od.eu, FORUM website...)

✓ II/ ANIMATE

- ✓ Identify developers, users... and all actors who can contribute to ENERGIC-OD in AFIGEO's Working Groups : GT OGC Open Data, Network of the CRIGEs, AFIGEO's International Club...
- ✓ Animate these actors to develop their interest for the project ENERGIC-ID
- ✓ Mobilise them around the project in accordance with their working areas / priority activities

✓ III/ PROMOTE

- ✓ General public awareness actions (FIG de Saint-Dié-des-Vosges...)
- ✓ Promotion actions targeting GIS actors (Rencontres des dynamiques régionales, Rencontres DécryptaGéo...)
- ✓ Promotion actions targeting Open Data actors (Hackathon FOSS4G...)

Human resources allocated to ENERGIC-OD :

- ✓ **Y. RIALANT**, responsible for managing and coordinating ENERGIC-OD AFIGEO's actions
- ✓ **B. DEWYNTER**, responsible for the implementation of ENERGIC-OD AFIGEO's actions
- ✓ **E. LADURELLE-TIKRY**, project and network manager

Material resources allocated to ENERGIC-OD :

- ✓ **AFIGEO's resources** : local (IGN), office and computer equipment...

Thank you !
